

To keep conversations moving forward, remember some of these wise talking tips for building a positive partnership with your child's teacher.

Can you tell me more about that?

Please explain. Ask for examples.

I haven't experienced that. Can you tell me more?

So what I hear you saying is ...

How can we work together to make this happen?

I'm not sure how I feel about that. Let me get back with you.

Just so we are on the same page, our plan is to ...
